

Passion Assessment

Directions

1. You may not be able to answer all of the questions. That is okay. The Assessment is designed to explore a variety of ways God speaks to us about our Passion. He has probably spoken to you in some of these ways, but not all of them!
2. Prayerfully consider your responses to each question.
3. There are no right or wrong answers. You have permission to say anything.
4. At this point, do not consider *whether* you could do it or *how* you could do it. All you need to do right now is *name* it.
5. Assume there are no obstacles to hinder you from fulfilling your desire. Assume everything is taken care of... family, money, career, time, etc.

PASSION ASSESSMENT

1. If you could snap your fingers and know that you wouldn't fail, what would you do for others?

2. What do you repeatedly see that annoys or angers you, which if changed, would be more glorifying to God and encouraging to others?

3. I care about some things more than other things. I care most about....

4. At the end of my life, I'd love to be able to look back and know I'd done something about...

5. On the chart below list your top five to seven most meaningful and positive life experiences. Briefly describe what you achieved and why it meant so much to you.
